Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Friday 22 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and the odd shower.

Today:
After a chilly start it will be a slightly warmer day than yesterday with sunny spells, though a few showers for Devon and Cornwall. Brisk northwesterly winds easing through the day. Maximum temperature 14 deg C (57 deg F).

Tonight:
Another chilly night, though it will be dry for most with clear spells. The odd light shower will continue across the far west. Minimum temperature 4 deg C (39 deg F).

Saturday:
A fine start to the day with just the odd shower at times. Turning windier and cloudier with some outbreaks of rain possible overnight. Maximum temperature 15 deg C (59 deg F).

Outlook for Sunday to Tuesday:
Sunshine and showers throughout Sunday and Monday, though feeling warmer in any sunshine. Drier on Tuesday but still windy at times.
